

Northwest University School of Business & Management  
Student Petition for Waiver of International Business Travel Course

The International Business course includes a foreign travel component so that students can better understand some of the global and cultural issues involved in current business practices. Students who are unable to participate in foreign travel (such as for health issues or visa restrictions) may request a waiver. Waivers will only be considered for graduating seniors. Waivers will not be granted solely on the basis of financial hardship.
