Washington State Republican Party

Overview
Help elect Republicans in key districts and advance your skills by becoming an intern for the WSRP Grassroots Team. Learn how political campaigns are ran and what it takes to win. Interns will be paid $15/ hour.

Objectives
Develop your skills as a member of the state party and learn what it takes to mobilize and advocate for members in your community, develop the skills to build your own business, ripen your interpersonal moxie, learn to data manage, identify voters for more effective campaigning, and how to Get Out The Vote at election time!

Ask your adviser if you can earn school credit!
Not only is the WSRP able to give you real life experience, but they will work with your educational institution to get you college credit.
