

## **Come Volunteer for a Day!** **Sleep Country 12K's of Christmas**

Sleep Country does a Holiday Run every year called the **Sleep Country 12K's of Christmas** which helps benefit many non-profits including Olive Crest! It is a fun filled day of volunteers dressing up in festive holiday attire and located throughout the course at “cheering locations” to help runners through the tough hills. Once I have an idea of how many volunteers I will have, I will send a list of job responsibilities to everyone.
