

## **Executive Internship**

### Seattle Research Labs EXECUTIVE INTERNSHIP

The objective is to give you an overview of Seattle Research Labs operations and company programs while strengthening your leadership skills, enabling you to be an effective executive and strategic business partner for the sales pyramid. As a Executive Intern, you will receive support from all areas within the store as you develop your leadership skills in our three part program: Seattle Research Labs Fundamentals, Basic Leadership and Hands-on Special Project.

#### DURING THE INTERNSHIP PROGRAM YOU WILL:

- Review our brand strategy and discover what it takes to lead a team
- Understand merchandising, customer service and inventory management and how to maximize sales
- Discover how the Human Resources position impacts staffing, development, retention and brand management
- Learn about the product supply chain while working through inventory management and productivity issues
- Train on how to prevent fraud in an multi million dollar online business
- Develop your leadership skills
- Complete a hands-on project requiring you to implement the knowledge you acquire during your internship

#### SKILLS:

- Desire to pursue a career in Executive management or you want to start your own business
- Leadership and strong decision-making skills
- Assertiveness and initiative
- Team-oriented thinking
- Ability to communicate clearly and effectively in all situations
- Strong organizational skills with the ability to multi-task
