

Need a paid internship? Love working with kids? Can you cook? We have an opportunity for you to make a difference in a child's life!

Cook, Learn, Grow has internships for Kid's Cooking Instructors for our Spring Afterschool Program.

Application Period: Nov 1-30, 2015

**Overall Instructor Internship Description:** Lead children's hands-on afterschool cooking classes. Classes held in Kirkland, Mercer Island, Issaquah, Seattle, Bellevue

**Responsibilities include:**

- Driving to various locations in and around Seattle to teach provided food literacy/cooking curriculum
- Prepare for Cook, Learn, Grow lessons; run class related errands including but not limited to grocery shopping, prepping/cleaning for class, etc.
- Maintain safe and engaging classroom environment
- Communicate effectively and professionally with children, parents and other Cook, Learn, Grow staff.

**Qualifications:**

- Possess strong cooking skills
- Minimum 1 year of experience working face-to-face with children
- Passionate about teaching children about food
- Excellent ability to engage and manage children
- Able to commit for a 4-month minimum
- Available 2-5pm, M-F, 1-5 days depending on enrollment
- Pass background check & fingerprinting
- Have reliable transportation and valid driver's license
- Strong organizational, time management, and leadership skills
- Responsible and trustworthy

**Benefits:**

- This is a paid experiential opportunity integrating classroom teaching and cooking experience.
- Gain invaluable classroom management, time management, leadership and child food literacy development experience.
- This is a very positive, rewarding and part time opportunity based on enrollment.
