

## **Piano Teacher**

### **Who We Are:**

Move Over Mozart has been teaching thousands of children how to play the piano in the greater Seattle area since 1994. We have an excellent curriculum designed specifically for the pre-reading child through elementary age. Our fun theory games and interactive learning style appeals specifically to the young child, making these lessons enjoyable and rewarding. After all, a student with an eagerness to learn is your favorite pupil!

Visit [MoveOverMozart.NET](http://MoveOverMozart.NET) for more information about our piano school.

### **Job Description:**

Teach group piano classes to a maximum of six students per class at various schools or community centers throughout your local area. Students' ages range between 3 to 12 years old with classes grouping similar ages and musical ability together. Training includes how to teach piano to the various age levels of children, how to teach group piano lessons, and how to plan fun, motivating lessons. Materials, including keyboards, are provided.

Locations: Kirkland, Bellevue, Redmond

Part-Time: 1 – 10 hours/week

Compensation: \$22 - \$25/hour to start

### **Prerequisites:**

- Love for children evidenced through past experience
- Love for music and piano proficient
- Own transportation
