Living Area Staff

**Area Coordinators**

Area Coordinators are live-in professionals who serve full time to provide relational and administrative leadership within a living area in order to develop a Christ centered living-learning community. Some of their duties include supervision of student staff, crisis intervention, developing personal relationships with students, planning and implementing programs and assisting residents in all aspects of their spiritual, academic and personal growth.

**Resident Assistants (RA) & Apartment Representatives (AR)**

The Residence Life student leaders (RAs and ARs) exist for the purpose of building a community committed to the rewarding, challenging, and energizing work of living life well, together. RAs and ARs provide administrative support and assistance to the Area Coordinator and leadership and care to on campus residents.

Your Room/Apt

**Access**

Northwest University reserves the right for university authorized personnel to enter and/or search a student’s room without notice in emergencies where imminent danger to life, safety, health, or property is reasonably feared; when the university is closing down at breaks, or when it has been determined, at the discretion of appropriate university officials, that sufficient cause exists. University personnel [professional staff] may enter and/or search a student’s room, without notice when there is suspicion of probable cause to believe university regulations have been or are being violated. While it is preferred for students to be present, in rare situations searches may be conducted in the student’s absence.

For unplanned service or maintenance that has not been requested by the resident, staff will attempt to notify students 24 hours in advance. However, depending on the severity of the issue and the staff’s ability to reach the student and/or residents of a particular floor, advanced notice cannot be guaranteed. A work request submitted to maintenance is considered consent to enter. During breaks [such as Christmas and Spring Break] university personnel may enter university housing in order to routinely assess the condition of fire alarms, smoke detectors, etc.

**Check-In/Check—Out**

New incoming students attending orientation check in on the Thursday before classes begin. Returning students can check in for the Fall semester on the Friday before classes begin; for Spring semester returning students can check in on the Sunday before classes begin.

During check-in each resident will receive and/or complete:

- Residence Hall Housing Contract
- NU Lifestyle policy acknowledgment
- Room Condition Form (RCI)
- Hot Topics policy reminders

*All students are advised to read the community handbook and living area manual – as they will be held accountable for the policies and procedures found within.

**Room Condition Forms:** Residents are responsible for doing a room inventory to describe the condition of the room and contents. Residents should write a detailed description of the condition and turn the form into their RA immediately. It is important to note that any damage found at check-out will be compared to what was listed during the check-in. Residents have 24 hours after turning in the Room Condition form to make adjustments to the form. Please note: The University is not responsible for forms that are incomplete, not turned in or misplaced. Forms submitted
improperly may not be accepted. Verbal accounts of damage assumed prior to occupation are not acceptable forms of notification. Students will be held responsible for the condition of the room and contents upon checking out (unless otherwise noted on the Room Condition Form).

Checking Out
Semester Students should vacate their room by 5:00 PM on the Saturday after the last day of finals week. Graduates may apply to vacate the Sunday after commencement by 12:00 Noon without additional cost.

The mandatory community life meeting held in November and April outline important information for residents to follow when checking out of housing.

Residents are to schedule a check out appointment with their RA or AR if they are moving out of housing. Prior to the checkout appointment residents should remove all belongings, return furniture to its original configuration – beds un-bunked and furniture in designated/proper, and thoroughly clean the room/apartment.

Damages are initially assessed with the RA or AR present at the checkout appointment. The Area Coordinator will do a final walkthrough of the room and living area to assess final damages. The Area Coordinator will communicate via email final damage charges. Students wishing to appeal any damage fines will have two weeks to email their AC with a detailed explanation of why the charges should be waived.

Health & Safety Checks
Healthy and safety checks happen once a semester by residence life staff members. This is not a room search, staff members will not be opening drawers, closets, etc. This is a general check; we are looking for potential maintenance requests and entering to ensure decorating and living area policies are being followed. It is also an opportunity for connection with residents.

Residents will have one week after the health and safety check to fix or modify any violations that were found. To avoid having to fix or modify decorations or to prevent policy violations, residents should be familiar with the living area manual and community handbook.

Modification Forms
If you are modifying or cancelling your current housing status (because you withdrawing, applying to live off campus, or requesting an on campus change), you need to fill out a Housing Modification Form. You do not need to fill one out if you are graduating. Housing Modification Forms can be found on the housing website and need to be turned into the Student Development office. Depending on the semester, forms are due on May 1st or December 1st. Forms turned in after these dates incur a $15 late charge.

When requesting an on campus change, you need signatures from: your future roommate, current RA or AR, and your current AC.

When submitting a Housing Modification Form because you intend to live off campus, you must also fill out the online off campus application and have it approved. If the off campus application is not approved, the Modification Form will be voided.

If you need to withdraw your Modification Form, please email housing@northwestu.edu.

Non Refundable Fee
A $150 non-refundable housing fee is required to secure an on campus housing placement. This ONE time fee will follow students even if they change housing locations on campus. It will be kept on file until a student moves out of campus housing.

This fee is refundable only to new incoming students who apply for housing, pay the deposit but withdraw before being assigned a room. Once ANY students have been assigned a room, the deposit is non-refundable even if they do not end up attending Northwest University.

Placements can always be checked by students by logging into MyHousing on the Eagle website.

Room Assignments & Selection
All residential students should submit an online housing application and have a $150 non-refundable housing fee on file. Students will receive room placements through their NU email account.

Returning students
The priority time period for returning students to select their room for the upcoming semester is during the previous semester. It is tied closely to when class registration begins and usually runs for a number of weeks. This student initiated placement is done electronically through placement lotteries via MyHousing. Students are eligible to participate in the lottery once they complete an online returning housing application and register for classes. Once the priority time frame ends returning students must participate in a summer lottery to select their fall placement. After the final summer lottery, the Director of Residence Life and Student Housing will manually assign placements.

New Incoming Students
Housing assignments will be sent to NU your email address. To receive a campus housing assignment, students must fill out an online housing application, pay the non-refundable placement fee AND register for classes. Beginning in June, students will be notified of their housing placement around the first of every month. Students can always log on to MyHousing and view their housing profile, assignment and roommate(s).

Roommate Placement
Students are able to request roommates on their housing applications. Inquiries and requests for roommate changes before August 1st will be given priority; however, changes are not guaranteed.

3 Person Rooms
3 Person Rooms are the largest rooms within the residence halls. They can accommodate 3
residents with the same space comparable to a double room. Thus rates are not reduced in these rooms.

**Single Rooms**
Private rooms are standard double rooms with only one resident assigned to the space. Both sets of furniture will remain in the room at all times; maintenance will not remove the extra set. Students may request a single room by emailing the Director of Residence Life and Student Housing; requests are for the entire academic year (unless a student enters mid-year. There is an additional cost for a single placement.

Single rooms are not guaranteed but requests are granted *when space permits.*

**Room/Roommate Changes**
Room/roommate changes are permitted during semester breaks. In order to change rooms, the resident requesting needs to fill out a Housing Modification Form and have it approved by the Director of Residence Life and Student Housing by noted due dates on the Time to Sync Calendars. Notification by a roommate or a verbal request is not an acceptable form of communication. Residents granted approval for the room change, at the end of fall semester, need to be completely moved to their new location prior to leaving for the winter break. Exceptions are granted in extenuating circumstances approved by the Area Coordinator and Director of Residence Life and Student Housing.

Confrontation may be uncomfortable and residents may seek the guidance or support of their RA/AR. If communication and dialogue are not successful, residents should contact their Area Coordinator.

Roommate Contracts
It is encouraged that all residents make a roommate contract with their roommate at the start of each semester. The first step in any disagreement is generally a roommate contract and/or adjustment to one already in place. If issues arise mid semester, roommate contracts may become mandatory as part of a mediation plan.

*Student apartment residents are provided with an Apartment Success Plan at the beginning of the fall semester to assist roommate negotiations and delegation of responsibilities.

**Maintenance**
The maintenance department manages the upkeep and repairs of the university facilities. Residents should report items immediately that need to be repaired or serviced through the online Maintenance Request Form: [http://eagle.northwestu.edu/maintenance-requests/](http://eagle.northwestu.edu/maintenance-requests/)

Failure to report maintenance needs in a timely fashion may result in a damage charge to the resident.

**Appeals**
Residents seeking to appeal a housing related damage charge, fine, placement or policy should complete and submit the Student Petition or Appeal form to the Director of Residence Life and Student Housing unless otherwise instructed by their Area Coordinator. Appeals should highlight the policy and why the resident’s circumstance or unavoidable even prohibited compliance to the policy. Evidence
and other pertinent details to help garner an informed decision should be included. Petitions are taken to the Housing Appeal Board where members review submitted documents and make necessary decisions; all decisions are considered final.

Student Petition or Appeal forms can be found on the Student Development website; the Housing Appeal Board members include but are not limited to: the Director of Residence Life and Student Housing and three Area Coordinators.

Communication
It is expected that residents will send all university related questions or inquiries from their NU email address. Residents are responsible for information communicated through their NU email by the Student Development office and staff.

*When communicating housing cancellations or withdrawals, verbal communication is not an acceptable form of notification.* Residents should submit a completed and signed Housing Modification Form to the Student Development office to communicate their intentions. Scanned copies of signed forms are acceptable.

Community Life Meetings
There are a total of three *mandatory* meetings each year – Community Life Meetings. The first one at the start of each semester is designed to help students acclimate to the residence life program, housing expectations and community guidelines. The second one is near the end of the fall semester to inform students about important Christmas break check out procedures and housing options. The third mandatory meeting is held in the middle of the spring semester to help students with check out procedures, expectations and summer housing options.

Hosted by the Residence Life Staff, the meetings are informative and provide up to date information. Therefore all residents, whether new or returning, should attend the meeting.
