→ **Summer Housing:** Summer housing in the student apartments is limited and offered with preference given to the following:

1. Those who are employed by the university (or contracted with the university through Maintenance or the Caf).
2. Those who are taking a minimum of 3 on-campus summer class credits from Northwest University (online courses do not apply).
3. Those who have a full time job (30 + hours) in the area.

Applying does not guarantee placement; **late applications will not be approved.**

→ **Returning for the Fall Semester?** Great! You will need to participate in one of our housing selection options: **1.** Student Apartment Selection **2.** Room Rush – where you pick where you want to live (residence halls). *If you're hoping to live **off campus**, go through the housing selection process **FIRST** so if you're not approved to live off, you've already secured an on campus assignment.

→ **Applying to live in the Student Apartments?** The process centers around two factors: age and academic standing. Current apartment residents have the option to remain in the apartments if they consolidate with 100% apartment returners. Applicants should:

1. Fill out an online returning student housing application.
2. Make sure everyone in your group meets ALL the requirements before turning in a group application. *Requirements on group application
3. Fill out the group application and turn it into the Student Development office.

***Points are awarded for age and academic standing; groups with the highest awarded points are invited to the Apartment Selection Night.**

→ **Leaving NU?** Withdrawing? Graduating? Going off campus? No matter the reason, if you are **NOT** returning to campus housing, please completely fill out a **Housing Modification Form** and submit it on or before **May 1st @ 5pm**. If intending to live off, you must also have a **Residential Exemption Request** submitted online and approved. Schedule to check-out with your RA before Saturday, May 6th @ 5pm.
