

Student General Appeal

This form is used to appeal general, non-academic matters related to a student's experience at Northwest University. Information about appeal types can be found at the following [link](#).

As a Christ-centered learning community, we are committed to direct communication and peaceful resolution. This appeal serves as a second-tier process and students are asked to first faithfully seek resolution with the respective department or office. That includes following all department specific processes or procedures, and having first discussed the matter with the respective department. Upon receipt of this completed form, Student Development personnel will review and then facilitate resolution that is consistent with university policy and mission. Once a ruling on the appeal has been established, *it is considered final by the university*.

Be sure to provide as much pertinent information as possible. Please remember that information included in your appeal assists Student Development in the process of quickly and thoughtfully considering your petition.
