

Employment

Employment opportunities in the Northwest University community are excellent. On-campus employment for students is coordinated through the Human Resources Office in the Barton Building. Applications are also available at the reception desk of the Barton Building.

For information on part or full-time employment off-campus please visit the [Job Search](#) webpage. International students are generally not eligible to work off-campus while studying in the United States.

Students are expected to represent Northwest University at all times, on and off campus, with appropriate professional behavior and adherence to the Student Community Handbook Life Style Standards.
