When, because of medical or health conditions, students are required to have a special diet, they should submit a written notice from their doctor to the Student Development office. The doctor's statement should provide all information regarding restrictions and requirements of diet when health is a factor. The University reserves the right to charge for special diet provisions if necessary.

All students must present their current ID Card to be able to eat any meal, or pay cash upon entry. Options are available to students who wish to purchase a meal plan. Meal plans can be purchased at the Cashier's Office in the Davis Building.

Dishes, tableware, glasses, related items, and food must remain in the Caf. The only exception is for students who are ill and who have received permission. The food service at Northwest University is operated by Pioneer College Caterers.
