<p>REGARDING: NURS 3202 Fee</p> <p>CHANGE: Registration Reminder</p> <p>NOTE: Hello Students,</p> <p>Just a gentle reminder that the \$67.00 fee for NURS 3202 was added to your student account this month. Please remember that the system will not allow you to register for next semester with a balance on your account. Your advisor will remove your advising hold but if you still have a stop on your account it is probably for one of two reasons, either you need to complete your preregistration or you need to address a student account issue.</p> <p>If you have any questions I am happy to speak with you.</p> <p>Mrs. Nakashima</p>

With that in mind, <b>about 45 students will lose compliance</b> on or before November 26, 2018.
