

# Northwest University Provider Information Form

Dear Provider,

The patient that you are treating today is a student of Northwest University. Northwest University has provided their students with an excess accident medical plan that pays covered charges after the Student's primary insurance has been exhausted. BMI Benefits is the claims administrator for the excess plan. The following information is being supplied to you in an effort to assist the student in obtaining maximum benefits in a timely manner.

Please submit all charges through any other primary insurance available to the student first, and then submit itemized bills, the primary carriers Explanation of Benefits, and your W-9/TIN to BMI Benefits via:

Mail:  
BMI Benefits  
PO Box 511  
Matawan, NJ 07747

Fax:  
732-583-9610

Email:  
Stephanie@bobmccloskey.com

The Northwest University policy number is US566689.

Should you have any questions, or need any additional information with relation to policy benefits or the submission of claims, please contact BMI Benefits at 800-445-3126.

This is not a guarantee of payment or benefits. All claims are subject to plan limitations and exclusions.

Thank You,
