

2019 Important Housing Dates & Reminders!

Please take a moment to update your personal calendar with deadlines (and procedures) that pertain to you. Below you will find dates, reminders, and information. If you have other questions or concerns, you can email **your AC** or **Housing** housing@northwestu.edu. To see **Frequently Asked Questions** and to download needed **Forms**, please visit the NU Housing webpage: <https://eagle.northwestu.edu/departments/housing/>.

May 11	★ Spring Semester Housing ENDS @ 9pm
May 12	★ Summer residents move into summer housing

→ **Summer Housing:** Summer housing in the student apartments is limited and offered with preference given to the following:

1. Those who are taking a minimum of 3 on-campus summer class credits from Northwest University (online courses do not apply).
2. Those who are employed by the university (or contracted with the university through Maintenance or the Caf).
3. Those who have a full time job (30 + hours) in the area.

Applying does not guarantee placement; **late applications will not be approved.**

→ **Returning for the Fall Semester?** Great! First, fill out an online Returning Student Application and then participate in one of our housing selection options:

1. Student Apartment Selection
2. Room Rush – where you pick where you want to live (residence halls). At Room Rush, you'll have the option to self-select an incoming international student roommate and/or live on the Intercultural Community Floor! *If you're hoping to live **off campus**, go through the housing selection process **FIRST** so if you're not approved to live off, you've already secured an on campus assignment.

→ **Applying to live in the Student Apartments?** The process centers around two factors: age and academic standing. Current apartment residents have the option to remain in the apartments if they consolidate with 100% apartment returners.

Applicants should:

1. Fill out an online Returning Student Housing Application.
2. Make sure everyone in your group meets ALL the requirements before turning in a group application. *Requirements listed on group application
3. Fill out the group application and turn it into the Student Development office.

***Points are awarded for age and academic standing; groups with the highest awarded points are invited to the Apartment Selection Night.**

→ **Leaving NU?** Withdrawing? Graduating? Going off campus? No matter the reason, if you are **NOT** returning to campus housing, please completely fill out a **Housing Modification Form** and submit it on or before **May 3rd @ 5pm**. If intending to live off, you must also have a **Residential Exemption Request** submitted online and approved. Schedule to check-out with your RA before Saturday, May 11th @ 9pm.
