PURPOSE

The purpose of the 2.5 cumulative GPA requirement is to set students up to succeed in their collegiate experience. This standard assures that a student has the ability to succeed in academically first and foremost. At the same time, we also acknowledge that some students have overcome difficult situations and circumstances that negatively impacted their GPA and are now on a path toward success. For this reason, students with a GPA below 2.5 may submit a written appeal along with their completed student leadership application.

The Student Leadership Committee (Student Development and Campus Ministries staff) will review the appeal and you will be notified via the Student Leadership email of the decision. If your appeal is approved, it only allows you to go through the selection process, it is not a guarantee you will be hired as a student leader.

If your appeal is accepted and you are offered a student leadership position (on scholarship), you will be placed on leadership probation. During this time of probation, which includes spring semester 2019, you must achieve a semester GPA of 2.5 or better. You will remain on probation until your cumulative GPA reaches or exceeds 2.5. However, if you do not achieve a GPA of 2.5 or better for any semester, including spring 2019, you will forfeit the student leadership position.

Appeals will only be considered if the Student Leadership Appeal Form and the full student leadership application are emailed to studentleadership@northwestu.edu by **Tuesday, February 5th at 5:00pm.**
